Greetings in the name of the Lord Jesus Christ. 01/26/2017

My New Years Resolution was to give up on keeping New Years Resolutions, but I just can't on this one.

Okay the format for my worksheets has changed so that you can do them individually, and these emails, now called "Lessons" are accumulating on the TH202a page so we can all stay on the same page. Please check out the new formats, and web page.

By now I expect that every one has gotten the three texts, Prolegomena, Bibliology, Theopneustia, and done a little reading in each. All three are now available in one 340 pg book via pdf, or paperback via \$10 + \$10 s/h (see <http://www.lulu.com/spotlight/GSBaptistChurch>).

If I have not heard from you yet, please check in via email, snail mail, phone, or Webinar connection and let me know where you are at and how this study group is working out for your... or not.

Thanks again for doing this, it has been kind of a rough start, but it has been a joy to interact with a few who have connected. Gausson's book alone is worth every penny of your effort. (Um, it was free!)

God Bless

Pastor Ed Rice

Seminary makes one read things they would not ordinarily read, think things they would not ordinarily think, and say things they would not ordinarily say. It is good for the brain that, on its own, gets tangled in cobwebs and entrenched in ruts. It is not quite seminary, but it does those things, it is tuition free, and it cries out for your participation. Join in on this online Bibliology study group already in progress.

The worksheets listed on www.GSBaptistChurch.com/theology/th202a/ are intended to force your nose into Gausson's remarkable book "*Theopneustia*." It is a long lost, hundred-fifty year old Christian classic available to you for free, and it covers every conceivable argument defending God's inspiration of ALL Scripture. An exceptional resource in a day when the modernist ecumenical has stolen and copyrighted their little 'b' bibles and panned them off as Holy Bible. Be wise, participate in this study group. (These incessant emails are meant to keep your nose to the grind wheel as well.)

There is also a much smaller study group learning the Basics of Biblical Greek. It is worth every ounce of your effort to learn the language of the Holy Bible from these high-school Greek notes of Pastor Rice. You don't often get to study Greek with a KJB-only Greek student. Check it out at www.GSBaptistChurch.com/greek

I expect that both these study groups will be interrupted by the rapture and glorious appearance of our Lord Jesus Christ. After all, President Donald Trump has, again this week, wounded the head of the leftist liberal progressive beast; “And I saw one of his heads as it were wounded to death” (Rev 13:3). I hope to hear from you.
