INTRODUCTION
(from the flyleaf of yet another miracle cure book of 10 years ago)

“You don’t have to be depressed. You don’t have to see a
doctor and wait for him or her to write you a prescription. You don’t
have to suffer the miserable side effects of standard prescription
antidepressants. You don’t have to endure weeks or months of
waiting for your antidepressant drug to start working. You can stop
your depression right now. In fact, you can feel much better in a
matter of just days. And you can find all the tools you need to
conquer your depression quickly and safely right here in these
pages. ...”

“You don’t have to be depressed. Depression saps us of our
vitality, our joy in being alive. It wrecks relationships, careers, and
even lives. But there is a new (no, an old) solution (that
pharmacists and medical doctors have missed or steered you away
from.) Now you don’t have to endure awful side effects. You don’t
have to wait for weeks for relief. You can stop depression now.
You can feel better in a matter of days.

“Depression is not some minor problem affecting only a few
people. Current research estimates that fifty percent of the
population – yea, every other one of us – will suffer some form of
depression at some time. Despite the hype surrounding the latest
generation of prescription antidepressants, depression is not a thing
of the past. Even the most modern prescription antidepressants are
harsh drugs. They can cause miserable, even intolerable, side
effects and take weeks to start working, if they work for you at all.
It does not have to be this way.”

1 Taken from the flyleaf of a 10 year old diet supplement presenting yet another
miracle cure for depression. It did not work and is gone today. The cure
described in this workbook has worked for the past 2000 years, and this time,
for this method this is not just hype.
Dealing With Moods and Depression
WEEK #1
Of A Constructive Work Book
A Biblical Perspective

Dealing with Moods, A Bible Perspective.

“A merry heart doeth good like a medicine: but a broken spirit drieth the bones.” (Prov 17:22)

The medicine that treats depression does not come in a pharmaceutical bottle as a pill. It is not another miracle dietary supplement that you can order in the mail. It is a lifestyle cure defined by a four thousand year old book written by your creator and called the Holy Bible. Depression is the most diagnosed 'mental illness' in America. The medical community that separates the humans spirituality from his physical and mental tries to fix this spiritual malady with mind altering drugs. This verse of wisdom from God indicates a connection between the physical, mental and spiritual entities that He created 'in His image.' This workbook capitalizes on this interconnection to help you deal with depression, manic depression or bi-polar disorders in your life. God advises that we heal the spirit, the mind and the body. We guarantee that this approach to reform in your life will be effective. We guarantee it because He does.

This material is designed to provide a wealth of information at the beginning and five challenges per
week. Don't get so overwhelmed by the beginning material that you don't get to the challenges. I put this material together to use in our ministry addressing problems of addictions, anger and depression, to be used in jails, prison, homes and Church. We always recommend that you pursue this material through our Baptist Church or an Independent Baptist Church of like faith and practice, but recognize that sometimes this preference is not available to students. Make it your goal to get into one of these Bible Believing, Bible Preaching Churches for your full growth in Christ. A Bible believing Church does not use a modernist Bible, it uses a King James Bible translation. So don't settle for an ecumenical church with an ecumenical bible.

As you pursue this study pursue the new relationship with the Word of Truth. He can change you. He can make your life new.
God Bless you in your pursuit
Pastor Ed Rice
Good Samaritan Baptist Church

It should be no surprise that a Baptist Preacher believing the Bible to be true considers the renewing of ones mind in the Lord Jesus Christ to be a first line cure for clinical depression, for manic depression and for bipolar disorder. The medical profession and the mental health profession agree that all depression needs to be treated with 'talk therapy', but in the last few years their preferred treatment is to administer mind altering drugs. As a Bible believer and preacher of the Gospel of Jesus
Christ, it is obvious that the 'talk therapy' which they move to the background, is the ultimate and preferred treatment when the talk is with our creator. And when God's methods for the reformation of our mind are properly employed, even extreme struggles with these forms of mood disorders can be treated without the mind altering drugs. (NOTE: If you are on depression medications do not discontinue their use without consulting your physician.)

Mood swings are a normal part of life. There is an overemphasis on diagnosing and treating these as 'illnesses' without considering the spiritual root cause of man's 'illness'. With this in mind we have 6 tasks below that we want you to undertake in this first week. The last is the most important so don't miss the challenge.

1) Read through the following information on depression. It is from professionals but has no spiritual insights. It contains some important background information.

2) Fill in the 'Keeping Track of Yourself' worksheet for one week. This is a modified depression evaluation checklist that may help us each evaluate your thoughts.

3) Review the steps to reformation and do the writing assignment.

4) Go over the worksheet on Overcoming Satan's Strongholds

5) Begin journaling with the checklist provided.

6) Finally complete challenges 1 through 5.

This could be a very busy week for you but an excellent start on the renewing of your mind in Christ Jesus.

A Word About Mood Disorders

“Depression and bipolar disorder (also known as manic depression) are both highly treatable medical illnesses. Unfortunately many people do not get the help they need because misunderstanding the issues surrounding the illnesses or the fear associated with stigma. The following are brief descriptions of depression and bipolar disorder. ...

Depression: It's Not Just In Your Head

“Everyone, at various times in life, feels sad or blue. It's normal to feel sad on occasion. Sometimes this sadness comes from things that happen in your life: you move to a different city and leave friends behind, you lose your job or a loved one dies. But what's the difference between 'normal' feelings of sadness and the feelings caused by clinical depression?

“How intense the mood is: Depression is more intense than a simple bad mood.

“How long the mood lasts: A bad mood is usually gone in a few days, but depression lasts for two weeks or longer.

“How much it interferes with your life: A bad mood does not keep you from going to work or school or spending time with friends. Depression can keep you from doing these things and may even make it difficult to get out of bed.

“While it's normal for people to experience ups and downs during their lives, those who have clinical depression experience specific symptoms daily for two weeks or more, making it difficult to function at work, at school, or in relationships.

“Clinical depression is a treatable illness marked by changes in mood, thought and behavior. That's why it's called a mood disorder.

“People of all ages, races, ethnic groups, and social classes have depression. Although it can occur at any age, the illness often develops between the ages of 25 and 44. The lifetime prevalence of depression is 24 percent for women; for men, it's 15 percent.

“Bipolar Disorder: More than a Mood Swing

Bipolar disorder (also known as manic depression) is a treatable illness marked by extreme changes in mood, thought, energy and behavior. It is known as bipolar disorder because a person's mood can alternate between the "poles" of mania (high, elevated mood) and depression (low, depressed mood). This change in the mood or "mood swing" can last for hours, days, weeks or even months. These "highs" and "lows" are frequently seasonal. Many people who have bipolar disorder report
feeling symptoms of depression more often in the winter and symptoms of mania more often in the spring.

“Bipolar disorder affects more than two million adult Americans. Like depression and other serious illnesses, bipolar disorder can also adversely affect spouses, family members, friends, and people in the workplace. It usually begins in late adolescence (often appearing as depression during teen years) although it can start in early childhood or as late as the 40s and 50s. An equal number of men and women develop this illness and it is found among all races, ethnic groups and social classes. The illness tends to run in families.

**Mood disorders are treatable**

“The majority of people with mood disorders are able to find treatments that work. Talk therapy, medication or a combination of both help the person feel better and change situations in their life that may be contributing to their illnesses (substance abuse, bad relationships, etc.)”

Welcome .... You Are beginning a journey that will doubtless lead to a new Freedom that you never thought possible. It is a freedom that is found in Jesus Christ. The Bible says that whom Jesus has set free, is free indeed. As you begin this handbook, allow me to personally guarantee that if you follow the steps that Christ laid out for freedom, you will be Reformed Unanimously from your strongholds and you will find that you are Free Indeed!

You are beginning the Challenger section of your program. The Challenger is designed to show you God's plan for building the foundation of your life. God said in the Bible that there was really no other foundation that any man could lay other than that which was already laid. The foundation which was already laid was Jesus Christ. God desires that everyone in His creation have a personal relationship with His son, Jesus Christ. It is the first step to freedom on earth and it also qualifies us for Eternal Life, which, obviously, is far more important. We will begin at this step, but first, we will show you God's design for Freedom. It is rather simple to understand and easy to apply when done with our whole hearts. It begins in the book of John, where Jesus said He is “the Way, the Truth, and the Life.” When Jesus stated that He is the Truth, He was explaining that others may claim to have supernatural truth, but only He is capable of exposing the real Truth that comes from God. With this (Jesus is Truth) in mind, please read Christ's formula for Freedom from strongholds.

John 8:31-32 Then said Jesus to those Jews which believed on him, If ye continue in my word, then are ye my disciples (follower) indeed; And ye shall know the Truth (Jesus), and the Truth (Jesus) shall make you free.

I have placed the steps to freedom from strongholds in bold print.

1 A Biblical Approach to breaking the chains of strongholds and addictions.
By Steven Curington is used in this counseling/training with permission from Reformers Unanimous www.reformu.com
They are as follows:

1. **Believe on Jesus**
2. **Continue (study) in my Word (Bible).**
3. **Follow Christ with your life (disciple)**
4. **Your knowledge of Jesus will increase.**
5. **Jesus (not you) will make your free.**

This challenge outlines step #1 in detail. This, friend, will be the most important step you will ever make with your life. Stay focused on why you are here. At first this may seem elementary, but as you progress through the program, you will see why God has brought you here. You want to change. Change begins with, you guessed it, CHANGE. You have tried, now let God.

Challenge 2  Memorize John 3:16-18,36

To keep God's Words before us as we strive to take control of a strong hold it is essential that we commit some verses to memory. These memory verses will address what Jesus Christ has done to save us from our sin nature and with commands and principles that God has given us to live by. It's best to write them out on a 3x5 card, carry it with us and recall the verse several times per day.

Memorize John 3:16

John 3:16 For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life. 17 For God sent not his Son into the world to condemn the world; but that the world through him might be saved. 18 He that believeth on him is not condemned: but he that believeth not is condemned already, because he hath not believed in the name of the only begotten Son of God. ... 36 He that believeth on the Son hath everlasting life: and he that believeth not the Son shall not see life; but the wrath of God abideth on him.

Please describe in your own words what this verse means to you.

Congratulations on completing 5 Challenges! During the working of these challenges, you have studied, memorized and heard God's Word taught. Studying, memorizing and hearing the Word of God will increase your knowledge of God. If you increase your knowledge of God, it will be easier to have faith. The book of Romans states that, “Faith cometh by hearing and hearing by the Word of God.” It is easier to have faith in someone you know and trust. We will continue in this format throughout the rest of the reformation counseling. Do not give up on your efforts to overcome your stronghold, even if you have stumbled this week. God still loves you and wants to complete the change he has begun. If you would like to know more contact us.
Dealing With Moods and Depression

Before continuing in this series I would point out that success in your reformation is not found in any program, it is found in the Lord Jesus Christ. This truth is made clear by examining the devotional for Christian Servants called “My Utmost for His Highest” by Oswald Chambers. The June 1st entry states:

June 1

The Staggering Question
He said to me, ‘Son of man, can these bones live?’
—Ezekiel 37:3

Can a sinner be turned into a saint? Can a twisted life be made right? There is only one appropriate answer— "O Lord God, You know" ( Ezekiel 37:3 ). Never forge ahead with your religious common sense and say, "Oh, yes, with just a little more Bible reading, devotional time, and prayer, I see how it can be done."

It is much easier to do something than to trust in God; we see the activity and mistake panic for inspiration. That is why we see so few fellow workers with God, yet so many people working for God. We would much rather work for God than believe in Him. Do I really believe that God will do in me
what I cannot do? The degree of hopelessness I have for others comes from never realizing that God has done anything for me. Is my own personal experience such a wonderful realization of God’s power and might that I can never have a sense of hopelessness for anyone else I see? Has any spiritual work been accomplished in me at all? The degree of panic activity in my life is equal to the degree of my lack of personal spiritual experience.

"Behold, O My people, I will open your graves..." (Ezekiel 37:12). When God wants to show you what human nature is like separated from Himself, He shows it to you in yourself. If the Spirit of God has ever given you a vision of what you are apart from the grace of God (and He will only do this when His Spirit is at work in you), then you know that in reality there is no criminal half as bad as you yourself could be without His grace. My "grave" has been opened by God and "I know that in me (that is, in my flesh) nothing good dwells" (Romans 7:18). God’s Spirit continually reveals to His children what human nature is like apart from His grace. (Oswald Chambers)

As you continue in this reform effort understand that it is Christ working in you that causes the change, not your gritting your teeth and struggling for self reform. The journaling and the challenges which are pursued in this effort are intended to cause your trust in Him to enable the necessary changes in your life. God Bless you as you pursue Him for those changes.
Pastor Ed Rice
To deal with our moods Biblically there are several areas we need to bring to our conscious knowledge.

1. **We have the ability to know ourselves.** God has made humans in His image and different than any other creature. We have the ability to have 1) self awareness, and 2) reason. You can really step outside of your self for a moment and examine what you are thinking, what you are doing and what you are feeling at any time, and then to do some deductive reasoning as to why we are thinking what we are thinking, why we are doing what we are doing, and why we are feeling what we are feeling. It is amazing to me how few people practice this self awareness and deductive reasoning. Being self aware and able to reason is a part of every human being. It is important to examine ourselves not only physically in this area but spiritually. Jesus said the first commandment was to love the Lord our God with all our heart, all our soul, and all our mind. Step outside yourself for a moment and examine how you are doing at your creators first command. How are you then doing at controlling our self awareness? Our mind? Our Mood? Practice bringing these things to mind.

2. **The Causes of our mood.** There are three things that effect our mood. Consider them consciously as Body, Soul and Spirit. 1) Our mind works based on our body's chemistry and the balance of our chemistry changes based on inputs. Our diet and exercise will effect our body chemistry. It has been said “You are what you eat.” This is not true, even Jesus refutes such a saying, however vitamin deficiencies and sugar, preservative, hormone, and chemical plethora in our diet can devastate our body chemistry. (In America we use chemical sweeteners called diet soda, chemical salteners called fake salt, man's hydrogenated corn oil instead of God's natural butter, even chemical eggs called egg-beaters to try to appease our appetites and we add a plethora of abnormal chemistry to our physical mix, and that not without side effects on our moods.) We shall address our diet in this effort for reform as well as healthy exercise and sweat. Secondly,
outside stimulus will effect the balance of our chemistry. You have heard of mood music, you have heard the song “Be careful little eyes what you see.” Getting control of our mood swings will include an emphasis on what outside things that you are stimulating your brain with. And lastly inside stimulus changes our brain chemistry. That is, the very thoughts that you allow to run through your mind will generate enzymes, hormones and chemicals in response to your thoughts. God says we need to renew our mind because out of our heart flow the issues of life. Wow, does the Bible address each of these physical issues of brain chemistry for our life? Yes it does, and it is meant to cause us to grow in wisdom of our minds. We are pretty complex beings made in the image of our God. 2) Circumstance effect our soul. When we experience catastrophic events in life they effect our moods all the way down to our soul. In this journey we must examine the effects of grief, tragedy and calamity on our brain chemistry. Our bodies are designed to preserve us through such events, we need to better understand that chemistry. But our creator is the greater comfort and controller of our moods and chemistry through these calamities of life. God wants us to be steadfast in every circumstance. 3) Communion, or Our relationship with the Lord Jesus Christ. No greater control of our mood and brain chemistry can be achieved than what comes from our spiritual plane. A right relationship with our God through His only begotten Son, is paramount for keeping our mind in Him, and out of depression. It is a spiritual warfare for our mind.

3. The Cures of our wrong Moods. You are in the midst of a treatment for radical mood swings. It comes by consciously and Biblically dealing with your life. The control of our moods will be accomplished by regulating things and relationships in our physical, mental and spiritual plains. This cure is not a magic potion but the plan that the Lord Jesus Christ has laid out for your life. Keep studying his plan, memorizing his steps and trust Him to reform your mind.
Keep A weekly Journal

of these 5 Communication Techniques

The format of this journal is from Reformers Unanimous www.reformu.com

1. Bible Reading. Scriptures you read each day and notes of their importance towards your reform. Note the time spent in reading each day. (Day 2-7 on back or in separate notebook following this format.).

2. Teaching Received. Teaching that you sat under this week and notes of their importance towards your reform. Note the time spent as a disciple each day.

3. Personal Prayer Time. Praise and Pray for Needs, Protection, and Other each day. Pray for forgiveness for wrong things I said or others said in my presence, things I thought, things I did or others did in my presence which offend my God and creator. Journal them and note the time I spent in prayer each day. (How many days does it take you to pray for an hour?)

4. Time with Christian Friends. Questions for which you seek (or give counsel) Journal what you talk about to other Christians. Track time.

5. Convictions and Leadings of the Spirit of God. God speaks to us through His Word, but if Christ dwells in you then he also speaks to you in a “Still small voice” and in our conscious when we speak or do wrongs. Note some ways in which the Holy Spirit has convicted or led you.

**Challenge 6 Memorize John 8:31,32**

To keep God's Words before us as we strive to take control of a strong hold it is essential that we commit some verses to memory. These memory verses will address what Jesus Christ has done to save us from our sin nature and with commands and principles that God has given us to live by. It's best to write them out on a 3x5 card, carry it with us and recall the verse several times per day.

**Memorize John 8:31,32**

Taking the Initiative Against Depression
Arise and eat —1 Kings 19:5

The angel in this passage did not give Elijah a vision, or explain the Scriptures to him, or do anything remarkable. He simply told Elijah to do a very ordinary thing, that is, to get up and eat. If we were never depressed, we would not be alive— only material things don’t suffer depression. If human beings were not capable of depression, we would have no capacity for happiness and exaltation.
There are things in life that are designed to depress us; for example, things that are associated with death. Whenever you examine yourself, always take into account your capacity for depression.

When the Spirit of God comes to us, He does not give us glorious visions, but He tells us to do the most ordinary things imaginable. Depression tends to turn us away from the everyday things of God’s creation. But whenever God steps in, His inspiration is to do the most natural, simple things—things we would never have imagined God was in, but as we do them we find Him there. The inspiration that comes to us in this way is an initiative against depression. But we must take the first step and do it in the inspiration of God. If, however, we do something simply to overcome our depression, we will only deepen it. But when the Spirit of God leads us instinctively to do something, the moment we do it the depression is gone. As soon as we arise and obey, we enter a higher plane of life.

**Challenge 8 Prayer**

Are there a lot of people you know who are enslaved by the temptations of this world? God encourages us to pray for one another. Below is a chart of blanks. Try to think of as many people as you can who are struggling with a stronghold. Write their first name only in the blank listed below. Ask God to help you remember as many people as possible. When you attend class this week, your counsel leader will pray for these people with you. It will be the beginning of a prayer list that will take your focus off of yourself and put it on the needs of others. (Don't worry you can still pray for God to help you, too!)

Congratulations for finishing the second week of these exciting challenges. May God Richly Bless in the renewal of your mind. Keep Going for him. .... Pastor Rice
As you continue in this reform effort understand that it is Christ working in you that causes the change, not your gritting your teeth and struggling for self reform. The journaling and the challenges which are pursued in this effort are intended to cause your trust in Him to enable the necessary changes in your life. Remember his promise in 2Cor 5:17 *Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new.*

God Bless you as you pursue Him

Some Thoughts on Mood Control

As we continue in this series on depression and mood control consider some of the direct applications for the RU program we are following. Reformer Unanimous was designed to bring Christ into the life of an addict and let Him reform completely the individual and make them what God always intended. We are attempting to step into the resources of our mind and moods and discover the reforms that are needed to make us what God always intended.

Remember if you are on medications for depression do not stop without seeing your doctor. You may wish to consult with him and find a way to taper off medications as you allow Christ to be your 'talk therapist' in dealing with your moods. It is possible that your body has developed a chemical dependence on the mind altering drugs and taking back complete control of your brain chemistry may be a long laborious process for you, even as you are learning more and more to lean on Christ, the creator of your mind. This note of caution is important for those prescribed depression medications. Do not change medications without consulting your doctor and letting him know of your intentions to trust in Christ more and more and in medications less and less. He should assist you in this endeavor to SLOWLY wean yourself off medications.

The Bible principle we are acting on in this series is that a believer in the Lord Jesus Christ will have his mind renewed in Christ. Such a renewing of our mind by the
creator of our mind is promised to those who would trust Christ completely, first with their soul, for salvation, then with their life, for the working out of that salvation on a daily basis. Look again at Romans 12:1-2 ¶ I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service. 2 And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God.

In his letter to believers at Colosse Paul outlines 7 things that he desires for them as follows:

1) KNOW HIS WILL 9 ¶ For this cause we also, since the day we heard it, do not cease to pray for you, and to desire that ye might be filled with the knowledge of his will in all wisdom and spiritual understanding;

2) TO WALK WORTHY 1:10 That ye might walk worthy of the Lord unto all pleasing,

3) TO BE FRUITFUL being fruitful in every good work. The 9 fruits of the spirit which should now ripen in our lives are Gal 5:22 But the fruit of the Spirit is love, joy, peace, longsuffering, gentleness, goodness, faith, Meekness, temperance;

4) INCREASE KNOWLEDGE and increasing in the knowledge of God;

5) BE STRENGTHENED 1:11 Strengthened with all might, according to his glorious power, unto all patience and longsuffering with joyfulness; NOTE HERE Patience is for dealing with circumstances; Longsuffering is for dealing with
people, and **Joyfulness** is the packaging that both should come in.

6) **BE THANKFUL** 1:12 ¶ *Giving thanks* unto the Father, which hath made us meet to be partakers of the inheritance of the saints in light:

7) **BE DELIVERED & TRANSLATED** 1:13 Who hath delivered us from the power of darkness, and hath translated us into the kingdom of his dear Son:

14 In whom we have redemption through his blood, even the forgiveness of sins:

As you work through the challenges this week, keep these 7 growth areas in view. Go back and highlight two of them that you need emphasized in prayer for victory over your particular stronghold.

The most important treatment for depression is 'talk therapy.' We are emphasizing this in 3 ways. First, analyze your self and talk to yourself about your current mood and where your feelings come from. Secondly, talk to God about your analysis and ask Him for His help in dealing with your attitude and mood. Thirdly, you need another person in your life to talk to. An intimate friend is one with whom you could talk to about anything and they will hold your trust. You should seek to have a couple of close friends like that. God intends that our spouse be that kind of an intimate friend. The challenger in your RU program should be such. You need all three avenues of this talking open in your life to effectively deal with depression and mood swings. Since these are needs in your life, take them to God, he has promised to meet your every need. Be assured that he can.
Before the challenges for this week are presented take the time to read a short devotional by Oswald Chambers from his book “My Utmost for His Highest.”

Devotional on the Mind  June 4 —Hebrews 13:5
The Never-forsaking God

He Himself has said, ’I will never leave you nor forsake you.’

What line of thinking do my thoughts take? Do I turn to what God says or to my own fears? Am I simply repeating what God says, or am I learning to truly hear Him and then to respond after I have heard what He says? "For He Himself has said, ’I will never leave you nor forsake you.’ So we may boldly say: ’The Lord is my helper; I will not fear. What can man do to me?’” ( Heb 13:5-6 ).

"I will never leave you . . . "— not for any reason; not my sin, selfishness, stubbornness, nor waywardness. Have I really let God say to me that He will never leave me? If I have not truly heard this assurance of God, then let me listen again.

"I will never . . . forsake you." Sometimes it is not the difficulty of life but the drudgery of it that makes me think God will forsake me. When there is no major difficulty to overcome, no vision from God, nothing wonderful or beautiful— just the everyday activities of life — do I hear God’s assurance even in these?

We have the idea that God is going to do some exceptional thing— that He is preparing and equipping us for some extraordinary work in the future. But as we grow in His grace we find that God is glorifying Himself here and now, at this very moment. If we have God’s assurance behind us, the most amazing strength becomes ours, and we learn to sing, glorifying Him even in the ordinary days and ways of life. (Oswald Chambers)

The challenges before you this week cannot be met without a Master and Lord of your life. The challenges listed here are intended to bring you in closer contact with Him. Take the time to journal your week in the 5 communications technique journal, and may God richly bless as you pursue Him through these new challenges.
The Five 'R's of Reformation

1. Recognize and Receive. Things are not right in my life and I need help. Recognize that the one who created you loves you more than anyone else in this world and wants to fix your mess if you will receive Him. The Lord Jesus Christ came into this world to seek and to save sinners. He will not only save your soul he will save your life and turn you around to where you can live a joyful, prosperous life with Him as your Lord. Believe Him, and become a believer. Trust him and become his disciple. Let him change your life so you can be conformed to his image, even so much so that you could be called a Christian, one who acts like Christ. If you want a new life, he can give you one. He said “He that cometh unto me I will in no wise cast out.” If you want to turn over a new leaf because of your problems, he will not help. But if you want a whole new life, a new direction in your life, a saviour who will reform you from the inside out, then you can call on him today.

2. Responsible Reporting. Three areas of accountability are a) an accountability to God, Rom 10 says “That if thou shalt confess with thy moth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved. For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation. .... For whosoever shall call upon the name of the Lord shall be saved.” You are accountable to believe and call upon your Lord Jesus Christ. b) An accountability to God's Commandments, one of which states that you, as a believer, are to be accountable to a Pastor of a local Bible Believing Church. You should take this command very seriously and seek out such a Pastor. c) Thirdly you need to be accountable to others for your progress and goals of change. This may be to a spouse or friend, especially another Christian. Ask them to ask about your progress, then report to them. If you receive Christ as your Lord and Saviour be sure to tell others. Jesus said “Whosoever therefore shall confess me before men, him will I confess also before my Father which is in heaven.”
Dealing With Our Moods and Depressions Biblically

3. Read Regularly. God told Joshua and tells us that “This book of the law shall not depart out of thy mouth; but thou shalt meditate therein day and night, that thou mayest observe to do according to all that is written therein: for then thou shalt make thy way prosperous, and then thou shalt have good success.” God wrote an owners manual for your life. When you recognize him as your owner and recognize that you need your life repaired you need to read his manual, the Holy Bible, regularly and “Study to shew yourself approved unto God, a workman that needeth not be ashamed.” Read to Read. Read to Feed. Read to Lead.

4. Recite Respectively. The Psalmist says “Thy word have I hid in my heart that I might not sin against thee.” We need to memorize the Word of God. Paul wrote to the Church at Colosse and said “Let the word of Christ dwell in you richly in all wisdom; teaching and admonishing one another in all psalms and hymns and spiritual songs, singing with grace in your hearts to the Lord.” Hebrews 4 says “For the word of God is quick and powerful, and sharper than any two edged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart.” Paul tells Timothy that “All scripture is given by the inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness; that the man of God may be perfect, throughly furnished unto all good works.” If you need your life to change, memorizing your creators commands and principles is guaranteed to do the job. Memorize the Scriptures.

5. Reunion Revival. Gathering together with others of like mind is important. Hebrews 10 says 23 “Let us hold fast the profession of our faith without wavering; (for he is faithful that promised;) 24 And let us consider one another to provoke unto love and to good works: 25 Not forsaking the assembling of ourselves together, as the manner of some is; but exhorting one another: and so much the more, as ye see the day approaching” Christians have been gathering together to sing hymns and read the Scriptures together on the first day of the week, the Lord's
Resurrection day, Sunday's, for 1,975 years now. We are commanded to do so. We meet for accountability, for teaching, for encouragement, for edification (or building up in the faith) and we meet to fulfill the commission we have been given by the Lord Jesus Christ. You need to meet together for these same reasons. If your life is to change, it will require your attendance at Church and your attendance at these Bible Studies about your needed change.

This reform effort for your life will consist of several avenues of effort constructed around these 5 'R's of Reform. Foremost is the goal that you receive the Lord Jesus Christ as your life's Lord and your soul's Saviour. Any reform without Him dwelling within you is vain and temporary. If the Bible is true, it is your creator's manual for living your life and leaving this life guardianed in His care for all eternity. We believe every word is true. In this reform effort you will find 5 challenges to fulfill each week. You will find a help on defeating Satan's strongholds in your life. You will find a Journaling effort to mark and use the 5 means of communication that God has open for your improvement and victorious living. I trust that you will use each of these and find rich reward with your new Lord and Saviour.

Dealing With Our Moods and Depressions Biblically

Taking Back A Stronghold

Read this Card Daily for 30 days memorize it's verses,

Five Elements of a Victorious Walk

1. Genuine Repentance (Psalm 51) Do you see sin as an affront to a holy God or just remorse over the consequences. “Wash me thoroughly from mine iniquity, and cleanse me from my sin. For I acknowledge my transgressions: and my sin is ever before me. Against thee, thee only, have I sinned, and done this evil in thy sight.”

2. Taking back ground. Ground is given by sinful acts. This gives Satan legal jurisdiction in our lives. “Neither give place to the devil.”

3. Tearing down strongholds (2Cor 10:3-5) These are false belief systems that provide the enemy an area to bring destructive attacks. “For though we walk in the flesh, we do not war after the flesh: (For the weapons of our warfare are not carnal, but mighty through God to the pulling down of strong holds;) Casting down imaginations, and every high thing that exalteth itself against the knowledge of God, and bringing into captivity every thought to the obedience of Christ; And having in a readiness to revenge all disobedience, when your obedience is fulfilled.”

4. Build towers of truth (Joh 8:32) these towers are a belief system based on the truth of God's Word “And ye shall know the truth and the truth shall make you free.”

5. Taking every thought captive (Phil 4:8) This is God's standard for right thinking. If you do not take your thoughts captive, they will captivate you. “Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things.”

My besetting Sin ____________________________
My Stronghold Verse

1CO 6:19-20  What? know ye not that your body is the temple of the Holy Ghost which is in you, which ye have of God, and ye are not your own? For ye are bought with a price: therefore glorify God in your body, and in your spirit, which are God's.

Place a check on each day you read this card, and an x for each commission of this besetting sin. Review this card with your Pastor weekly. Revenge each x each day.

Congratulations for finishing the third week of these exciting challenges. Challenge 14-17 are before you. The challenges are designed to get more challenging and continue to bring about His reformation of your life. May God Richly Bless in the renewal of your mind. Keep Going for him. .... Pastor Rice
As you continue in this effort and read, ponder and memorize these scriptures Christ will gain some inroads into your life. If you are not yet a believer in the Lord Jesus Christ you will discover enough about him to learn that you can trust him with your soul and call upon him according to the scriptures. Then trust him to save your life from addictions, habits and sins. If you are a believer, who has already called upon him to save your soul, your discipleship in these scriptures will enable you to trust him to save your life. You can be saved from addictions, habits and/or sins that hold you in bondage. A salvation wherein you can be 'free indeed.” Begin this week by reading a devotional about our sin by Oswald Chambers.

God Bless you as you pursue Him

Pastor Ed Rice
June 23 "Acquainted With Grief"
(From “My Utmost for His Highest”, by Oswald Chambers)

He is . . . a Man of sorrows and acquainted with grief — Isaiah 53:3

We are not "acquainted with grief" in the same way our Lord was acquainted with it. We endure it and live through it, but we do not become intimate with it. At the beginning of our lives we do not bring ourselves to the point of dealing with the reality of sin. We look at life through the eyes of reason and say that if a person will control his instincts, and educate himself, he can produce a life that will slowly evolve into the life of God. But as we continue on through life, we find the presence of something which we have not yet taken into account, namely, sin — and it upsets all of our thinking and our plans. Sin has made the foundation of our thinking unpredictable, uncontrollable, and irrational.

We have to recognize that sin is a fact of life, not just a shortcoming. Sin is blatant mutiny against God, and either sin or God must die in my life. The New Testament brings us right down to this one issue — if sin rules in me, God’s life in me will be killed; if God rules in me, sin in me will be killed.

There is nothing more fundamental than that. The culmination of sin was the crucifixion of Jesus Christ, and what was true in the history of God on earth will also be true in your history and in mine — that is, sin will kill the life of God in us. We must mentally bring ourselves to terms with this fact of sin. It is the only explanation why Jesus Christ came to earth, and it is the explanation of the grief and sorrow of life.

Thoughts on Moods and Depression

We have examined some things about moods and depression that can be overcome by the power of the Lord Jesus Christ in our lives. Again, in Colossians 1 Paul's desire and prayer for believers is sevenfold. Number 5 in that list is that we be “Strengthened with all might, according to his glorious power, unto all patience and longsuffering with joyfulness.” In order to gain stability in our moods and emotions we need that strength. Notice that it comes according to his glorious power and comes in areas of patience, wherein we deal with circumstances which could move us to depression; in areas of longsuffering, wherein we deal with people which could move us to depression; and in areas of joyfulness, wherein we are to repackage our demeanor in his joy,... quite the opposite of a depression. In your prayer journal this week, add a prayer request for this strength from the Lord Jesus Christ.

I recently preached a message called “It's amazing what praising will do.” In that message I addressed that the act of praising God is commanded for believers, and it changes our body chemistry better than (the latest and newest anti-depressant medication.) We have examined that our mood swings are effected by our body, our soul and our spirit. We have touched on three things that change our body's brain chemistry, namely our diet and exercise, the outside stimulus that we are exposed to, and the inside stimulus or how we process and ponder things in our mind. Notice that praising God presents a tremendous influence on the latter two things. We have already spent several challenges trying to get this outer
and inner stimulus centered on the things which Christ commands for your life. This week continue the emphasis on those things with the challenges below, but focus on praising the Lord, being thankful and blessing the Lord out loud. Don't neglect the diet and exercise concerns; strive to get a handle on the chemicals that you ingest, getting down to 1 daily soda or less (with no diet chemicals) will help and getting at least a half hour of physical exercise per day. But this week put special emphasis on discovering that “It is Amazing what Praising will do”. To help in this endeavor I will give you the words of two songs that come to mind and then we will examine each of the 15 depression evaluation questions used earlier and find reason to joy in Christ over each. Make entries into your daily journal about your ability to communicate Praise to the Lord. Be like the psalmist who said “Ps 7:17 I will praise the LORD according to his righteousness: and will sing praise to the name of the LORD most high.

We used to sing a chorus out of 1 Pet 1:8 that went like this:

“I have joy unspeakable and full of glory,
   full of glory, full of glory.
I have joy unspeakable and full of glory,
oh the half has never yet been told.

I recently found this song and love the words:
The Dearest Friend
(a cappella)

Verse One (Note the spacing is to allow an echo phrase)
When I was drifting out in sin
I had no peace, no joy within
Then Jesus came and made me glad
The dearest friend, I ever had

Chorus
He saved my soul oh bless His name
I’ll never forget the day He came
He makes me glad, when I am sad
The dearest friend, I ever had

Verse Two
Oh sinner come to Jesus now
At His dear feet, just humbly bow
He’ll save your soul and make you glad
The dearest friend I ever had

Get a good repertoire of Christian music on hand and get some of it coming out of your mouth each day. (Not rock music. Rock beat and rhythm is designed to alter your mood in another direction, and it does what it is designed to do! It is the wrong outside stimulus for a Christian. By design rock music stimulates rebellion, Christianity is all about submission, i.e. Anti-rebellion. Thus no matter how the American market labels it, there is no such thing as 'Christian Rock' any more than there is 'Submissive - Rebellion!') Keep good praise filled music as an outer and inner stimulus this week and notice the difference in your moods.

Secondly, we want to emphasize your joy and praise in your inner self. We have already touched on your ability
to think about your thoughts and moods. Conforming your thinking to Godly principles will enable ennobling thoughts, which can actually change your brain chemistry. Let's examine the 15 depression evaluation questions in this exercise.

1. **Are you basically dissatisfied with your life?**

   Dissatisfaction with life can come from poor or lacking purpose, or from frustration in achieving those purposes. As a Christian, the Lord Jesus Christ gives us not only resounding new purpose, but the power to accomplish his purposes. Praise him for that. *Rom 12:1* I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service.

   2. And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God.

2. **Have you dropped many of your activities and interests?**

   A regular schedule and daily activities are important to maintaining a right attitude. The first signs of an oncoming depression include breaking of our schedule. Often thought of as a symptom, but in actuality the breaking off of our regular schedule is causative of larger changes in behavior. Strive to keep a regular schedule of morning activities, exercise, devotions and prayer as outlined in these challenges. The scriptures say *Ps 145:2* Every day will I bless thee; and I will praise thy name for
ever and ever. Ps 119:164 _Seven times a day_ do I praise thee because of thy righteous judgments. Maintain a schedule and keep on praising Him.

3. **Do you feel un-happy most of the time?**
   For a Christian, God's intent is that your joy may be full. _Ps 5:11_ But let all those that put their trust in thee rejoice: let them ever shout for joy, because thou defendest them: let them also that love thy name be joyful in thee. In Romans the availability of your soul's salvation is examined and see what it says about the joy that should produce in your life: _Ro 5:11_ And not only so, but _we also joy in God_ through our Lord Jesus Christ, by whom we have now received the atonement. _Ro 14:17_ For the kingdom of God is not meat and drink; but righteousness, and peace, _and joy in the Holy Ghost_. _Ro 15:13_ Now the God of hope _fill you with all joy and peace_ in believing, that ye may abound in hope, through the power of the Holy Ghost. Praise him for the joy he brings into your life.

4. **Do you prefer to stay at home rather than going out and doing new things?**
   Again an early indicator of oncoming depression is the staying to your self, withdrawing from others and holding things in. As a young Christian I learned this little song: J esus and O thers and Y ou, that is the way to spell JOY. Withdrawing is not only a symptom, but it is also causative to depression. Don't allow yourself to do it. Turning our thoughts inward all the time is selfishness. Even when hit by great calamities of life, like grief, we
first tend to withdraw from others, withdraw from society, even withdraw from friends. Doing so produces bad chemistry and depression. We have a friend that is closer than a brother. Never withdraw, but turn. Turn to him, and he commands us to turn to a friend as well. *1Pe 5:7* 

Casting all your care upon him; for he careth for you.  

*Pr 18:24* A man that hath friends must shew himself friendly: and there is a friend that sticketh closer than a brother.  

*Ga 6:2* Bear ye one another’s burdens, and so fulfill the law of Christ.

**5. Do you feel that life is empty?**

For a Christian, God wants us to be filled, not empty. It was illustrated in my childhood that inside every human born in this world is an empty space. People try every thing to fill the emptiness. They try sex, booze, drugs, materialism and more. There is only one thing that can fill the empty void in man. The shape of the empty void is exactly the shape of the Lord Jesus Christ. He is the only one that can fill the void in ones life. And he does. Look at these scriptures describing what we should be filled with: *Eph 3:19* And to know the love of Christ, which passeth knowledge, that ye might be filled with all the fullness of God.  

*Eph 5:18* And be not drunk with wine, wherein is excess; but be filled with the Spirit;  

*Php 1:11* Being filled with the fruits of righteousness, which are by Jesus Christ, unto the glory and praise of God.  

*Col 1:9* For this cause we also, since the day we heard it, do not cease to pray for you, and to desire that ye might
be filled with the knowledge of his will in all wisdom and spiritual understanding;

6. Do you often get bored?

The challenges that God gives to us will never result in boredom. And the challenges before you this week will keep your mind, soul and spirit occupied enough if you take each one seriously. The other depression analysis questions will be dealt with in the next lessons. Let's get started on this weeks challenges from the RU program.

**Challenge 16 Witnessing Opportunity**

In order to complete this challenge, you must write the circumstances of your life that led you to seek God's help. This is called a testimony. In Revelation, God said He uses 2 things to help people overcome the Devil. One is the Blood of the Lamb (Jesus) and the other is the believer's testimony. You may not be a believer quite yet, but there is a distinct pattern that led you to where you are today. Please share the pattern with us below. It could be useful to others someday. If you need more space, you may include a separate sheet of paper.

Congratulations

Congratulations for finishing the 4th week of these exciting challenges. There are 25 challenges in this Challenger level of the Reformers Unanimous effort and you have completed 17 of them. There are two more weeks in this Challenger level in learning to let Christ deal with your addictions and letting Christ into your life. Remember what we started out to do: John 8:31-32 Then said Jesus to those Jews which believed on him, If ye continue in my word, then are ye my disciples indeed; And ye shall know the Truth (Jesus), and the Truth (Jesus) shall make you free.

I have placed the steps to freedom from strongholds in bold print. They are as follows:

1. Believe on Jesus
2. Continue (study) in my Word (Bible).
3. Follow Christ with your life (disciple)
4. Your knowledge of Jesus will increase.
5. Jesus (not you) will make you free.

Keep Going for Him and He will Reform your life.
May God Richly Bless in the renewal of your mind.

Dealing With Our Moods and Depressions Biblically

**Devotional God’s Assurance**

He Himself has said . . . So we may boldly say . . .  
— Hebrews 13:5-6

My assurance is to be built upon God’s assurance to me. God says, "I will never leave you," so that then I "may boldly say, 'The Lord is my helper; I will not fear’ " (Hebrews 13:5-6). In other words, I will not be obsessed with apprehension. This does not mean that I will not be tempted to fear, but I will remember God’s words of assurance. I will be full of courage, like a child who strives to reach the standard his father has set for him. The faith of many people begins to falter when apprehensions enter their thinking, and they forget the meaning of God’s assurance— they forget to take a deep spiritual breath. The only way to remove the fear from our lives is to listen to God’s assurance to us.

What are you fearing? Whatever it may be, you are not a coward about it— you are determined to face it, yet you still have a feeling of fear. When it seems that there is nothing and no one to help you, say to yourself, "But 'The Lord is my helper’ this very moment, even in my present circumstance." Are you learning to listen to God before you speak, or are you saying things and then trying to make God’s Word fit what you have said? Take hold of the Father’s assurance, and then say with strong courage, "I will not fear." It does not matter what evil or wrong may be in our way, because "He Himself has said, 'I will never leave you . . .’"  

Human frailty is another thing that gets between God’s words of assurance and our own words and thoughts. When we realize how feeble we are in facing difficulties, the difficulties become like giants, we become like grasshoppers, and God seems to be nonexistent. But remember God’s assurance to us— "I will never . . . forsake you." Have we learned to sing after hearing God’s keynote? Are we continually filled with enough courage to say, "The Lord is my helper," or are we yielding to fear?
